Dozier Worship Service

**Children's Backpack
Blessing**

Catered BBQ Lunch

Please mark your calendars. Sunday morning, July 28, we will have our morning worship service and children's backpack blessing out at Dozier Campus...with a catered BBQ lunch to follow the service. Watch for details at a later date.

Thanks Guys

Mother's Day was made extra special this year by the men of our church. They prepared a delicious and abundant breakfast for the ladies. We have lots of excellent chefs in our midst! During the morning worship service, they gave all the women and young ladies in church a gift bag with a special surprise inside. Thanks guys for everything. You made the ladies feel very pampered.

The CCC young people are dedicated to raising money for the Heifer International project. They collect pocket change once a month for the purchase of animals to help end poverty. Heifer has been working for 75 years, in 25 different countries, and in that time they have provided 32 million families with the tools and training to

lift themselves from poverty. The youth have raised \$54. this year. We as a Church need to support this project with our money. Make a generous donation to help end poverty. The need is great. Nearly 1 billion people around the world live in poverty.

From Pastor Alicia

A suggestion has come to me for a special service open to the entire city and surrounding area. In other words, anyone who wants to come is welcome. This is a service I have thought about doing for years and so the suggestion really came as an affirmation. This special service is known as the Blessing of the Animals. A Blessing of Animals, in many congregations, witnesses to God's and the Church's love, care, and concern for creation. As we recognize our mutual interdependence with God's creatures, the Church's witness of stewardship of creation is strengthened. It is also a service with special appeal to children.

Generally, this service is held in the early spring or on or around October 4, the birthday of St. Francis of Assisi. The service commemorates the life of St Francis, who was born in the 12th century and is the patron saint of animals and the environment. It is a popular day for pets to be "blessed." Obviously, this would be a outdoor service held on the church lawn or perhaps in a park. I certainly hope for long and comfortable lives for all my pets and know that if you are a pet lover you do to. I will certainly bring my menagerie, all of them, one dog, two cats, two birds, and a guinea pig. I hope you like this idea and all you animal lovers will bring your pets and invite your neighbors too.

You are the best,

Alicia

FATHER'S DAY

BREAKFAST

June 16th

9:30 am

We will honor the men of our congregation on Father's Day, June 16, with a breakfast at 9:30 in the fellowship hall. Ladies, bring a dish of your favorite breakfast food to share. Everyone is invited to come join us for that meal. There is always plenty of food and fellowship to go around
