Worship Service at Dozier Campus and Catered Meat

Sunday, July 28, we will have our morning worship service out at our Dozier Campus. We will also have our annual Blessing of the Backpacks for our children at that time. Following the worship service, we will enjoy a catered BBQ meal in the school house. This is a special treat for our church members in that we don't have to cook or bring food. Just bring your appetite and enjoy the food and fellowship.

Thanks Ladies

Fathers Day

June 16 was our Father's day breakfast. We had a good attendance and thanks to all the ladies for providing all the wonderful breakfast foods. The bags of chocolate treats handed out to the men of the congregation were appreciated. Thanks ladies. Sharing together is always special at Central.

Dear Friends,

Having been your pastor for a bit over two years, I realized I had never seen a mission statement for the congregation. (Yes, I'm quick like that.) Anyway, I asked a few people if we had one and, if so, where to find it. Yes, we did have one but no one seemed to know where to find it.

How do we fulfill our mission if we don't know what we are trying to accomplish? I did find it, by the way. It is outdated and needs to be revised. I brought this up to CLC, (Church Life Committee) and Tom Beesley, Beth Herscher, and Janie Calvert volunteered to work on a new mission statement to be presented to the board for approval.

Now, we need your help. Being a denomination and congregation based on our understanding of the Bible, it seems we need to carefully look to the Bible for inspiration in determining our mission. **Here's how you can help.** Think about your favorite verse or verses. Spend some time in prayer and study. When you have decided which verse or verses are most likely to be the basis for our mission statement, write it down and turn it in to one of the people listed above. We will look at all of your ideas and hope to compile a mission statement that will guide our future for a time.

Thank you for doing this, for your support and your love. I am so grateful to have found you.

Grace and peace,

Alicia
