From Alicia's Desk

Dear Church Family,

At the last board meeting, concerns were raised about the future of the church. I'm sure you have noticed the small number who gather on Sunday mornings. Although Jesus promised to be with even two or three who gather in his name and we average 20, we can be assured that we have not been abandoned. Nevertheless, we do need to look at the reality of our situation and make plans for the future. The board directed the executive committee to meet and decide how to proceed.

The committee met and unanimously decided that these decisions must be made by the entire congregation. Since Lent will begin February 26, we thought it would be good if all church members would all agree to enter into a season of prayer seeking discernment of God's will for our future. We want to spend time listening to each other, from the youngest to the oldest, so that whatever plans are made will be understood and have the support of all concerned.

We also plan to have a Sunday School series of lessons for the whole congregation together during Lent. While this idea is still germinating, you will be kept in the loop as plans become more definite. For now, please think about committing to engage in deliberate, daily prayer or meditation for the congregation and our mission in this time and place.

With hope for the future,

Alicia
